## MISSISSIPPI MISSION AND PRAISE REPORT

### Manifestation in Mississippi

*"But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."* Hebrews 11:6

On January 27, 2007, ten residents, one former graduate and the assistant director of Safe House, Bro. Thomas Green set forth on a missionary undertaking. They were teamed up with a group from Grace Baptist Church led by Bro. Eric Kraft. Motivated by their belief that service is an outpouring of an anointed deliverance and a deep desire to give each man did not know what God had planned for them.

They were going to help Katrina victims in Pass

Christian Miss. Just by having a willing spirit and pledging their availability to the Lord they got blessed. A new meaning of happiness appeared as God revealed Himself in various ways.

- Brothers realized how blessed they were
- They realized the joy in unselfish giving
- God showed that He would take care of every need
- Finding joy in the face of someone you have brought hope to
- A resident was united with his sister after 5 years
- Residents learned some valuable skills to continue to build the kingdom

It was evident that God was touching a number of lives on this mission. The Brothers of the Safe House and Grace Baptist will never be same.

*"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of*

*man the things which God hath prepared for them that love him."* 1 Corinthians 2:9

### A NEWLY FOUND GRACE

Our trip down to Mississippi to help Katrina victims was a very eye opening experience for me. I had been on mission trips before, but I had never seen destruction like this before. It felt really good to be sincerely doing something for someone else, instead of

being forced into it unwillingly.

In the past I have been the one seeking help from people mainly my mom, whether I was looking for financial help or just emotional help. It felt good to be helping rather than

seeking help.

Another thing I saw down there was how powerful God can be in situations like this. Even though these people have lost virtually everything, their faith in the Lord has not faltered and this faith is keeping them strong

Right now I am still young in my walk with Christ, but I am starting to see things that, before I came here I wouldn't have thought the Lord had anything to with. Now I know it is Him. I just pray that eventually I will have that enduring faith in the Lord that I have seen here.
