

Gospel + Jazz Fest 2010

This was my very first Gospel + Jazz Fest. I want everyone to know that I really enjoyed myself + look forward to attending many more events in the future. The music was great + also I enjoyed the great food. I'm so grateful for being able to share in this experience. It was an awesome experience to witness all the different churches pulling together to make this event possible, + also how many people were in attendance, everyone talking + getting to visit with their families. It was also a great experience for me to be able to get up on stage + sing with the SafeHouse Brothers + the Cavanaugh Mass Choir. I would like to thank everyone who had a part in making this event possible + to everyone who is involved with the Men's SafeHouse, without you all I wouldn't be where I'm at today, on the road to recovery. With all I've learned I will be able to live a productive + drug + alcohol free life. Thanks again to everyone -
