

My name is [REDACTED] I'm currently a resident in the "Men's Safe House". I came into the safe house March 29, 2010 and will graduate on March 29, 2011.

I want to share my experience on the Gospel-Jazz Festival in Hessel Park. I never attended this event before and was overwhelmed by the whole thing. To see so many people come together to support a cause really moved me.

I'm glad to know that there are people out there who are concerned with my recovery. I'm also glad and praise God who gave Pastor B.J. Tatum the vision to start this program, so I can get the help I need and those to come in the future.

I really enjoyed the day of fellowship, good music, and great food. Thanks again to all of the supporters and most of all Jesus Christ!

Sincerely,
[REDACTED]
